

Colmore Private Clients

Private Client Personal Insurance

We recognise the importance of protecting your personal assets which is why we provide bespoke Personal Insurance solutions to protect your wealth and those you care for.

Private Client Personal Insurance

Your home, possessions and assets can conjure a unique set of risks for the simple reason that you're an individual, not a category. If you're concerned about how to insure your assets then Colmore Insurance can help.

We have private client solutions which can insure a wide range of your personal requirements:

- Buildings - Including your main residence, any second or holiday homes, listed buildings, privately owned property portfolios, estates or specialist buildings
- Contents - Cover for all your contents with higher limits to ensure high value single items such as jewellery are protected
- Motor - Private cars belonging to you and your family can be covered under one policy, along with classic and prestige cars and specialist vehicles such as horse boxes or motorsport vehicles
- Marine - Cover for boats of all categories including cruisers, yachts, powerboats, tenders, jet skis and associated equipment
- Collections - We provide bespoke cover for a wide assortment of collections including fine art, wine, guns, medals and memorabilia
- Travel - An individual or family travel policy which can include sports packages and legal expenses

Our commitment to you

A director will personally support you, whereupon an initial meeting will determine your requirements all on a strictly confidential basis. We will provide a comprehensive report on your individual circumstances, which will outline protection options we think will best cover everything that is precious to you. With access to the leading private client insurers we will ensure you have the appropriate cover and for the most competitive rate available, without compromising on protection.

Additional benefits

Through our network of trusted advisors we can also support you with additional services such as:

- Valuations of property and high value single items and collections
- Security advice for assets and family
- Preparation of contents inventory including photographic or video record
- Safe keeping of valuations, receipts and inventory

Our capability and values

Every client matters to us. Our values of integrity, delivering expert advice, and our focus and passion to helping you, our client, guide our daily operations, ensuring we remain attentive to the requirements of our clients at all times.
